GROUP CO-ORDINATORS

The Parish Directory is, at present, undergoing a minor update. Thank you to all those who have offered their suggestions, corrections and alterations already. This is proving to be a great help. If you have not yet returned your suggestions could you do so by the end of July so that the revision can be completed and put on the website early in August. Thank you very much.

DAY FOR LIFE

The human body is an extraordinary gift, an amazingly wonderful and complicated organism that we take for granted until it ceases to function well through illness or some traumatic injury. This year 'Day for Life' recognises the marvellous achievements of the human body in events such as the Olympic and Paralympic games being held in London this year. It highlights the importance of good health, the care of our body and the importance of exercise and sporting activity. Pope Benedict XVI sees such activity as "a training ground of healthy competition and physical improvement, a school of formation in the human and spiritual values, a privileged means of personal growth and contact with society". 'Day for Life' invites us therefore to show respect for the dignity of our body in every moment of its existence, from conception to natural death. There will be a retiring collection for 'Day for Life' after all masses next weekend, **28th/29th July** - the proceeds of this collection will assist the work of the Anscombe Bioethics Centre and other life-related activities supported by the Church. Leaflets giving further information about 'Day for Life' can be found in the Narthex.

One of our present students says...."Being on the course has opened my eyes, challenged me to the core, and helped me appreciate more thoroughly what my faith means to me".

ST. MICHAEL'S CATHOLIC SECONDARY SCHOOL

It was very good to welcome last weekend Mr. Anderson, the Head of St. Michael's School to speak to parishioners about it's forthcoming opening in September. An Open Day is being held at the Trevu site in Camborne this coming **Tuesday 24th July**. This will include a brief presentation, tour and opportunities to see the plans and talk to the senior management team and teachers at 3.00pm, 5.00pm or 7.00pm. All are welcome.

ST. AUGUSTINE OF HIPPO - Feast Day, Tuesday 28th August

It is planned to celebrate our feast day with Mass at 7.00 p.m. followed by a 'Bring a Plate' (of food!) Parish Supper. It is also intended that the church should be open all day for prayer and for welcoming visitors to look around our lovely home of worship and prayer. Next weekend, **28th/29th July**, a rota, for manning the church and providing tea and coffee during the day, will be placed on the notice board in the Porch. If you are able to commit yourself for one half-an-hour slot or maybe more please put your name on this rota. Thank you very much.

THANKYOU

Many thanks to all who gave so generously to the Apostleship of the Sea Collection. A total of £393.16 was donated by the parish and because of your generosity the Apostleship of the Sea will be enabled to serve more effectively the many seafarers around the world that it reaches out to in the name of the Church.

CHURCH ROOF

A certain amount of moss has grown on the church roof and that of the Priest's House over the past 20yrs and during heavy rain this washes off and blocks the guttering. It is being removed on Monday and Tuesday **30th/31st July**. On these days, parts of the area around the church will be cordoned off during the day for obvious health and safety reasons.
