DAY FOR LIFE

"Jesus teaches us to care for life because it is the image of God, who is absolute life. We cannot announce anything else but life, and from beginning to end. All of us must care for life, cherish life, with tenderness, warmth. To give life is to open our heart, to care for life is to give oneself in tenderness and warmth for others, to have concern in my heart for others. Caring for life from the beginning to the end. What a simple thing, what a beautiful thing...So, go forth and don't be discouraged. Care for life. It's worth it!" Homily of Cardinal Jorge Mario Bergoglio, now Pope Francis, given during a Mass in honour of the Holy Protector of Pregnant Women, St. Raymond Nonnatus, Argentina (2005)

There will be a retiring collection for 'Day for Life' after all masses this weekend, **27th/28th July** - the proceeds of this collection will assist the work of the Anscombe Bioethics Centre and other life-related activities supported by the Church.
