ENOUGH FOOD FOR EVERYONE IF.....

Although the world produces enough food for everyone, one in eight people do not have enough food to eat. The way that food is grown, sold and shared out is not working for the world's poorest people.

CAFOD is working with 200 other organisations as part of the 'Enough Food for Everyone IF' campaign. The IF refers to the changes that need to be made to the global food system. When the world leaders come together for the G8 Summit in the UK on the 17-18 June they have the power to act on global hunger **IF** enough of us demand urgent action. Please sign a 'Hungry for Change' card after mass next weekend to tell the Prime Minister that we need a food system that works for all. Also please pray that our world leaders will be inspired to tackle the scandal of hunger.

CAR PARK - 'DISABLED' BAYS

Although it is understood that there are many good reasons why it is necessary for parishioners to park in the spaces marked for 'Disabled' parking, these spaces are primarily for the use of parishioners whose disability is such that they have difficulties walking any distance. When parking for the weekend Masses, please leave the 'disabled' parking spaces free for those whose lack of mobility makes it necessary for them to park close to the church. Your thoughtful use of the car park will be very much appreciated.
