THE CALL, THE JOURNEY AND THE MISSION

Bishop Mark writes: "The Bishops of England and Wales have prepared some simple reflections on the Call, the Journey and the Mission of marriage and family life (copies are available in the Narthex). I ask you to read these reflections together and to share your thoughts with one another, especially in your families. If you would like to share those reflections with me then I would be happy for you to write to me here at Bishop's House. I cannot promise to answer every reply but I will certainly ponder what you write and will use them as a part of my submission to Cardinal Vincent Nichols and to Bishop Peter Doyle, who are to be the representatives from England and Wales at the second Synod on the family next October."

‘TRASHED’

This **Tuesday 13th at 7.30pm** the Justice and Peace group will be showing part 1 of the film ‘Trashed’ - a film about global waste, the degradation and the solutions. Part 2 will be shown on **Tuesday 20th January**. We buy it, we bury it and then we ignore it. Do we think what happens to all the waste we produce? This award winning film is narrated by Jeremy Irons and explores how by changing the way we live our lives we can contribute to our own survival and well-being and ultimately that of the planet. Jeremy Irons sets out to discover the extent and effects of the global waste problem as he travels around the world to beautiful destinations tainted by pollution. It is a journey that takes us from scepticism to sorrow, from horror to hope as Jeremy Irons discovers that change is not only essential, but is happening. All parishioners are warmly invited and indeed encouraged to come and see this thought provoking film.
