ST AUGUSTINE OF HIPPO - Feast Day & BBQ

Despite, or perhaps because of the weather on Sunday, our Parish BBQ was a great success and a happy time was had by all who came and supported it. A lot of hard and dedicated work went in to making things run so smoothly, and a special thank you goes to Angela Hyland and her team of willing helpers and to all those who contributed in any other way. It is greatly appreciated.

PARISH FINANCES

The parish accounts for the financial year that ended on 31st March 2018 have been recently enclosed in the newsletter. If you didn't get a set of these accounts, then copies are available in the Narthex. I would like to thank Tom Regan, the parish treasurer and gift aid organiser, and Sarah Down, the parish secretary, for all the work they do in keeping the finances of the parish in good order. Like everything these days, there is a lot of bureaucracy involved!

I would also like to thank you, the parishioners, for your generous financial support of the parish. It is good to see that the money given in the offertory collections has been holding steady over recent years. Thanks are also due to those members of the parish who come in and spend a couple of hours each week counting the collections.

As the church building gets older, the cost of the maintenance increases, not to mention the increasing costs of meeting the ever increasing regulations regarding health and safety etc. Trying to balance the books and keep the parish on a sure financial footing is becoming progressively more difficult. We therefore need to continue to be active in fundraising for the parish in various ways. I am always conscious that we need not only to look after the parish here and now but also try to do our best to provide for the future of the parish.

Over the years, the legacies left in parishioners' wills to the parish have been a really important source of income for the parish. They have often made the difference between just getting by and actually being able to do things. So please do seriously consider leaving something in your will to the parish. Also,

the money we receive back from HMRC because of parishioners Gift Aiding their regular donations to the parish has also become vitally important. If you are a tax payer and do not Gift Aid your donations to the parish then please do consider doing so. Our parish treasurer, Tom Regan, tel: 01726 815532, can advise you on both of these matters.
